

WHY IS THIS MAN SMILING?

...because the LB City Council has voted to allow him & his friends into your neighborhood!!

...but the neighborhood still has time to make the Council take back its destructive vote.

Come learn how at the . . .

Neighborhoods First is a non-partisan political action and information organization dedicated to protecting and improving Long Beach. We are a broad-based city-wide organization with members from every council district and represent the views of all parts of our city. **The mission is to protect the quality of life** in Long Beach by increasing public awareness of the pro-neighborhood performance of all elected officials, working to elect responsible candidates, and holding them accountable to the pro-neighborhood agenda once elected.
